TREATMENT	AVG. COST	FREQUENCY	FACTORY ROOF		CRAZY SEAL	
			Y/N	TOTAL	Y/N	TOTAL
UV Treatment	\$1,000	Annual	<input checked="" type="checkbox"/>	\$10,000	<input checked="" type="checkbox"/>	\$0
Caulk & Seal	\$1,500	2 Years	<input checked="" type="checkbox"/>	\$7,500	<input checked="" type="checkbox"/>	\$0
Replacement	\$8,000	10 Years	<input checked="" type="checkbox"/>	\$8,000	<input checked="" type="checkbox"/>	\$0
Replacement = New version of old roof = Same maintenance			\$25,500		\$0	

BEFORE

AFTER

Crazy Curtis says,
"You'd be crazy not to get
Crazy Seal. It pays for itself!"

*Crazy Seal has a one-time installation cost that eventually pays for itself!

Keep your factory roof that requires expensive annual maintenance or get a one and done **CRAZY SEAL ROOF!**

CRAZY SEAL PERKS

- No Down Payment
- Monthly Payments Less Than Cost of Annual Roof Maintenance
- Maintenance Free
- Guaranteed for 50 Years

CRAZY SEAL® ADVANTAGES

CUSTOM-FIT, SEAMLESS MEMBRANE

Our system components share the same base formulation, allowing them to bond seamlessly to form a single, custom-fit, roofing membrane that is waterproof, highly reflective, scratch resistant, flexible, and tough.

✓ **Waterproof** ✓ **Highly Reflective** ✓ **Scratch Resistant** ✓ **Flexible** ✓ **Tough**

MAINTENANCE-FREE

Traditional roofing requires upkeep. This is especially true of RV roofing that often requires costly re-sealing and UV treatments annually to keep the roof from deteriorating. With Crazy Seal, you can say goodbye to maintenance. Your roof is now protected by a permanent, contiguous, membrane that is naturally UV resistant and will not fade, chalk, crack, or deteriorate over time.

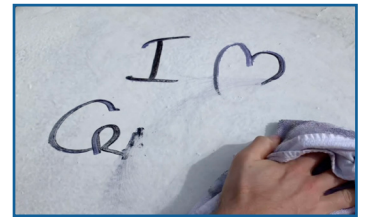

EASY TO CLEAN

Crazy Seal's high solids content makes it extremely stain resistant and a breeze to keep clean. Watch these blueberries wipe away from an aged Crazy Seal roof with no stain, and this sharpie marker wipe away using only a rag and an all natural cleaner.

BLUEBERRIES WIPE OFF WITH NO STAIN

SHARPIE WIPES OFF EASILY

ENERGY EFFICIENT

Because of its reflectivity, Crazy Seal drastically reduces your roof temperature in hot areas. Look at this roof temperature shot before and after in direct sunlight with a 95 degree outdoor temperature. Many people report an immediate reduction in A/C usage and energy consumption directly after applying Crazy Seal. This can decrease the power bill as well as save your generators, A/C units and more from unnecessary wear and tear!

50 YEAR PRODUCT WARRANTY

With your system installed, visit our warranty page, fill out our simple form and your system will be covered by our no-hassle 50 year product warranty.
